CHURCH SHIELD

CHURCH DOCUMENT PROTECTION

Including Free Wills, Living Wills, and Trusts

Church Bequest Program

PROTECT YOUR CHURCH!

We work with Pastors to protect the Church. Churches need to be prepared! New legislation gives broad power to the federal government to go after Churches and religious organizations that hold to Biblical views of marriage and human sexuality. These new laws open the door for private lawsuits against Churches. By writing appropriate protection into Church documents, the risk can be minimized.

Our document defense strategy for Churches can protect your Church!

The core eight documents we cover in our Church Shield are:

- ◊ Articles of Incorporation
- ◊ Bylaws
- ◊ Constitution
- ◊ Employee Handbook
- ◊ Code of Conduct
- ◊ Employee Agreements
- ◊ Facility Usage Agreements
- ◊ Statement of Faith

We also cover specialized policies:

- ◊ Gender Identification
- ◊ Pronouns
- ◊ Restrooms
- ◊ Social Transitioning
- ◊ Sexual Abuse
- ◊ Weddings
- ◊ Gender Deception
